

Instructions for use

Beach Chair Head and Chin Strap 711005

Previously Beatty® reorder # 111309

Intended Use:

Intended to support and maintain the position of an anesthetized patient during surgery.

Intended User:

Intended to be used by Healthcare Professionals on patients requiring medical procedures.

Precautions:

- For use with SKYTRON® Beach Chair, SCHUREMED™ Beach Chair, STERIS® Beach Chair, STRYKER® Shoulder Chair OZ 7519475 and OZ 7523075.
- Ensure device is properly aligned above eyes and chin.
- Ensure that skin & hair are away from straps when securing device.
- Ensure that the straps are securely fastened to the positioning device.
- Do not overtighten straps on mask.
- This device is single use only.
- Do not sterilize.

Disposal:

Dispose or recycle general surgical devices per facility protocol and all applicable federal, state, regional, and/or local laws and regulations.

Instructions for Use:

1. Place foam around patient's forehead and chin securely.
2. Secure straps to positioning device.
3. Discard after use.
