

SurgiSafe® Standard Absorbent Floor Mats

Three Absorbency Levels Available

Pink – High Level of Fluid, 16x's Absorbency Rating

White – Medium Level of Fluid, 14x's Absorbency Rating

Green – Low Level of Fluid, 11x's Absorbency Rating

Intended Use

Used to help keep floors in the healthcare setting clean, dry, and slip-free particularly during fluid intense procedures.

Key Features

- New and improved design for superior absorption and wicking
- Available with and without fluid barrier backing
- Helps enable faster operating room turnaround times by quickly absorbing and retaining fluid on the floor
- Designed to help keep healthcare staff safe by reducing the chance of slips and falls due to wet floors
- Aids facilities in compliance with OSHA Bloodborne Pathogens and General Environmental Controls Standards Ⓞ
- Made from a minimum of 60% pre-consumer recycled material
- Non-sterile, intended for single use, and not made with natural rubber latex

SurgiSafe® Standard Absorbent Floor Mats

Helping keep floors in the healthcare setting clean, dry, and slip-free particularly during fluid intense procedures.
