Making efficiency your edge

 aspen surgical®

Aspen Surgical strives for unmatched quality and unparalleled dependability because your OR demands nothing less. Aspen Surgical's comprehensive line of solutions all share two important qualities: precision and reliability. Equip your operating room with our range of industry-trusted products. Then, focus on what matters most—your patients.

We do our best work by helping you do yours. Surgical teams can't afford mistakes, and our solutions help keep you one step ahead. Whether it's markers that virtually eliminate the need for re-marking or products that help promote quicker turnover, we're on a mission to streamline the OR and help teams focus.

With brands like Bard-Parker®, SurgiSafe®, WriteSite®, and more, Aspen Surgical is a leading provider of surgical essentials. We got here by providing solutions that are as effective as they are trusted. With decades of expertise within operating rooms, we're not always recognized by name, but our reputation is always at hand. And though we've been supporting surgical teams for decades, we never stop evolving and looking ahead.
