

SurgiSafe® Specialty Absorbent Floor Mats

Intended Use

Used to help keep floors in the healthcare setting clean, dry, and slip-free particularly during fluid intense procedures.

Key Features

- Available with and without fluid barrier backing
- Helps enable faster operating room turnaround times by quickly absorbing and retaining fluid on the floor
- Designed to help keep healthcare staff safe by reducing the chance of slips and falls due to wet floors
- Complies with OSHA's mandated exposure control plan for the worksite by reducing the likelihood of employee exposure to bloodborne pathogens^①
- Designed to include unique features beyond those offered by the Standard Absorbent Floor Mat Line
 - Low profile
 - Offered in large sizes
- Blue mat features fluid barrier backing to help keep floor beneath dry and clean
- Yellow mat absorbs fluid from the top and bottom
- Non-sterile, intended for single-use, and not made with natural rubber latex
